

## **ibE Weddings**

As I wait patiently (and some days not so patiently) for my wedding day, I am here to give you all the attention and dedication that your wedding day deserves. I may be living vicariously through your big day...but that makes my attention to detail and drive to capture the perfect image that much stronger! I have put together several packages ranging from Extreme to Intimate. If one of these is close to what you want, but doesn't fit quite right - let's sit down and figure out a package that will fit you perfectly.

A minimum deposit of \$200.00 is due at date of booking, with the remaining balance due 2 weeks prior to the wedding.
